Feeling
Adventurous?

Adventure for Mark Mancina includes collecting guitars. With over 100 guitars in his collection, Mark says, "One of my favorite acoustics is a McAlister Terz. We just did a session with it using the TD-1. What a sound!! I've had guitars made for different movies (Speed, Training Day, Tarzan...many others). I can always count on Millennia gear to give me the detail that these instruments deserve. The recordings always hold up — even in a large orchestral setting. I love having the best of both worlds. In film scoring you need it. Great mics and outboard gear — the TD-1 supports that relationship. It's my 'go to' piece."

Finally, a no-compromise analog recording channel priced within reach of small studios and home recordists (\$1,675). Millennia's new TD-1 is all about pristine sonic performance, extensive signal path routing, and "go to" versatility.

Customized travel accessories include Cordura gig bag and leather handle

Hand made in Northern California, employing REAMP®, Speaker Soak®, Twin Topology®, Millennia's acclaimed HV-3 mic preamp, pliant DI, multi-impedance bridging, fully parametric NSEQ, three audio transformers, nine outputs, and military build quality...TD-1 is destined to explore uncharted sonic territory.
